UNIFORM GUIDE

Our Dress Code

The school uniform is the most visible symbol of identity for Sunrise Christian School. It is expected that all students take pride in their appearance and that this uniform will be worn in such a manner that the aim of glorifying God will be seen. Parents are to ensure that uniforms are well-fitted, clean, neat and worn in a dignified and respectful manner during the school day and while travelling to and from the school.

The dress code of Sunrise Christian School has been established to help parents and students know what is expected. It is not meant to stifle individuality but rather remove some of the distractions that prevent students from achieving their best academically, socially and spiritually.

At any time during the year, the School may alert families that students can wear a different uniform on days of unseasonable weather.

School Behaviour Code

Wearing the correct school uniform is compulsory, and a written note should be sent to the school explaining the reason for any incomplete uniform. Any breaches will be followed through in line with the School Behaviour Code.

Non-Uniform Items

Students are not permitted to wear non-school items to school. Students will be instructed to place such items in their locker, and repeated offences may lead to the item being confiscated for a period of time at the discretion of school leadership.

All Grade 6 students have the option to buy a special Grade 6 jacket which forms part of their school uniform for their last year of primary schooling.

Casual Clothes

Occasionally, parents will also receive notification of days when students are exempt from wearing the school uniform (for example, casual days and school camps). On these occasions, students are still expected to be neat and take pride in their appearance.

Closed-in shoes must be worn at all times.

Jewellery is to be kept within the bounds of normal school rules.

School uniform items will be loaned to students to change into if:

- Clothing displays ugly prints, inappropriate words or slogans.
- Clothing is sheer or see-through.
- Midriff is bare.
- Underwear is visible.
- Low-cut, revealing necklines or sleeveless tops are worn.
- ‘Short’ shorts or short skirts are worn.
- Leggings are not covered by an over-skirt or a long top.
- Clothing is stained, cut or has holes in it.

Casual and dress-up days are held to raise funds for our international Sunrise schools, recognised charities or the Parent Group. Students must bring the suggested donation on the day in order to participate. Students not participating must wear their school uniform. Students will be advised of casual/dress-up days via official school communication channels.

Personal Grooming

A high standard of personal dress and grooming is required at all times. While students are encouraged to take responsibility for their grooming standards, parents are expected to send their children to school appropriately groomed. Sunrise values the cultural diversity of families, and as such, cultural sensitivities can be negotiated with the Principal.
