## TUITION FEE POLICY 2026

At Sunrise Christian School, we remain deeply committed to providing families with a high-quality, affordable, Christ-centred education. To support this commitment, we offer a competitive Tuition Fee structure which is also designed to assist families in low-income brackets and those with multiple children.

### ANNUAL TUITION FEES

The Tuition Fees are contained in the annual Fee Schedule. Our annual tuition fee continues to represent excellent value, encompassing all areas of a child's schooling experience, including textbooks, stationery, visiting performers, special events, camps, excursions, student accident insurance and the IT levy.

The annual amount for Tuition Fees will be billed in full at the beginning of the year. Students are enrolled at Sunrise Christian School Whyalla on the understanding that parents and guardians agree to pay all fees in full when they are due. Payments must be through **FACTS**, our payment management system. All accounts for the year must be paid in full by 30th November each year.

Parents should contact the Finance Office on 8465 6031 if they cannot fulfil their payment commitment on time.

### ENROLMENT CONFIRMATION FEE

A once off non-refundable enrolment confirmation fee of \$250 is payable for all new enrolments. This fee is subtracted from the Annual Tuition Fees payable in the first year of enrolment.

### FEE DISCOUNTS

Payment of the full year's fees within the first two weeks of Term 1 will attract an early payment discount of 5%, providing there are no outstanding fees from the previous year.

Sibling Discounts are also available to families with multiple children as per the Fee Schedule.

Upon application, we provide a fee reduction to eligible families whose combined income is below an income guide of \$97,000 per annum, who also find it challenging to cover the full tuition fees.

Application Forms for a fee reduction are available from the Finance Office and must be completed by the end of October each year, unless financial circumstances change after that date. An application to reduce fees payable may also be considered if there has been a change in family circumstances or income, during the year.

This is done by completing a Fee Reduction Application form available upon request from the Finance Office via email [fees.whyalla@sunrise.sa.edu.au](mailto:fees.whyalla@sunrise.sa.edu.au)

Applications for a fee reduction needs to include details of combined before tax family income prior to:

salary sacrificing, salary packaging, business investments or allocations to/within trusts.

We require the following information to be uploaded as part of the fee reduction application:

- Four recent payslips for each working parent/caregiver
- ATO Notice of Tax assessment for the previous financial year
- Current Centrelink Income Statement

If families are unable or choose not to provide the required evidence of income as requested, Tuition Fees will be charged at the full fee rate.

Any approved special leave taken from school during the school year, does not in itself qualify families for a fee reduction.

### **BUILDING FUND CONTRIBUTION**

To support the development and upkeep of our educational facilities to the highest standards, we invite parents to voluntarily contribute to the Building Fund. This fund represents a crucial component of our financial resources, and we encourage every family to participate.

We suggest an annual contribution of \$250 per family. Any additional donations are gratefully received. Building Fund contributions are tax-deductible.

### **NEW ENROLMENT - FACTS PAYMENT PLANS**

The FACTS Payment Management System facilitates the payment of Tuition Fees which provides flexible payment plans with multiple secure payment options and a parent support helpdesk.

Using this system, enables families to set up payment plans that suit individual needs, review payment history, track payments and manage own account details. FACTS also offer parents the ability to change the date of a deduction by a few days, up to 3 times a year if necessary.

### **WITHDRAWAL OF STUDENT ENROLMENT**

We request one full term's written notice be provided to the Principal when a family intends for a student to leave the School.
